Snowdon Rocks Conditions of Entry for Walkers

By entering the Snowdon Rocks walk, you agree to abide by these Conditions of Entry and any walk instructions given to you by the organisers and officials of the Snowdon Rocks Walk 2016. **All entrants take part at their own risk.**

Entry Fee: All entry fees, related tickets and purchases are non-refundable. No transfers of place to another walker. Your entry fee is paid to the charity and is not going towards event costs.

Walkers: Participants minimum age 4 and must be accompanied by an adult (parent, friend or relative). There is no upper age limit for the walk, but **you must be fit and healthy enough to take part.**

Fitness: Mountain walks can be tough and require a good level of fitness.

Medical Condition: It is recommended that you train for the walk and prepare for the challenge. All participants are strongly advised to consult their doctor prior to undertaking any exercise programme. It is the responsibility of all participants to ensure they are medically fit to participate in the event. Don't forget any personal medication you may require.

Registration Point: There will be a registration meeting point at the start of the challenge located in the Electric Mountain Visitors Centre. Registration will be open from 08:30am on Saturday 20th June.

Clothing: Please come equipped for all weathers - it can change rapidly during the day.

- Waterproof clothing. These should also be breathable (Gore Tex, Event, Aquafoil or similar).
- Warm clothing. You may need a fleece, woolly hat & gloves even in the middle of summer.
- Good sturdy walking boots

What else do you suggest I bring?

- Backpack. We suggest a comfortable 20-35 litre backpack with a waistband.
- Charged mobile phone
- Insect repellent
- Sun cream
- Hat
- Camera
- Walking Poles (non-essential)

Food & Water: We suggest you eat a carbohydrate rich meal the evening before and a good hearty breakfast before you set out. During the walk you will need to consume both starchy foods and sugars and to drink plenty of water. Remember to eat little and often; dried fruit, nuts, salted crisps, sweets and cereal bars are all good sources of energy.

Bring either a water bottle or a flask. We suggest you carry 2-3 litres of liquids.
